Re:- Selection of B. V. Mohite, II Grade Forester, for appointment as Combatant clerk in the Army.

With reference to your letter No.AF. 1051/Ft. 16-43-3 dated 27-8-1943 on the above mentioned subject, I have the honour to state that the Forester who was relieved of his duties in the Department in the afternoon of 7th July 1943 is reported to have joined service in the Army on 12th July 1943. If his absence during the period of his service in the Army cannot be treated as coming under any of the kinds of service specified in Government Order No.W.1313-85/W. 138-40-2 dated 29-12-1941 as per orders conveyed in your letter referred to above and he is not considered eligible for any of the concessions referred to in the Government Order of 29th December 1941, I request to be kindly enlightened as to how his case is to be treated - i.e. whether he is to be considered as having a lien or no lien on his appointment in the Department from the date of his relief in the Department to the date of his rejoining duty in the Department after he is relieved of his duties in the Army.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Conservator of Forests.

In view of what is contained in A.T.R.O's Letter of 21.7.1943 viz that there is his liability to serve abroad when required in the case of Combatant clerks (Enclosure to CC's letter of 28.7.43 which was not before the Ch. Secy when previous orders were passed) we think he may perhaps be permitted to retain his lien & is absence treated as L.W.A. The War Secretary
